

Basic Information About Alex and Lauren

Contributed by Alex

This is the stuff most people want to know first. Where do live, what do you look like, etc. We will get into the juicy nasty details later.

Q. Are you two for real?

Absolutely. We are a real life, living, breathing, playful couple that enjoys sex, exhibitionism, voyeurism, fantasies, massages, girls, couples, strip clubs, porn, gloryholes, flashing, girls (like 'em well enough to repeat) and a lot more.Q. So if I meet you, you will let me fuck your wife?

Probably not. In spite of the fact that we play, we aren't necessarily promiscuous - meaning, we don't just have sex with anybody and everybody. Like everybody else, there are certain things that turn us on and certain games that we love to play. Things that fall under those categories will probably get a very positive response from us. On the other hand, we are pretty spontaneous and you never know where the mood might take us.Q. Can I see some pictures?

Sorry, but no. We have to maintain some discretion. Not everybody agrees with some lifestyle choices that we have made. That's reality. Most of you understand because you, too, have to live in "the real world".Q. Where do you live?

We are proud residents of the Charlotte Metrolina area. Is that specific enough without giving you a zip code? lolQ. How old are you? What do you look like?

We have reached the glorious middle age of life. Ugh. Truthfully, we look younger than our years, but 20-something is still a long way back there.

Lauren is 5'9, reddish brown hair, green eyes, pale skin (with nary a wrinkle), beautiful creamy breasts, a full round ass and long legs. 36B for those of you who insist on numbers.

Alex is 6'2", Blonde, blue eyes, amount and style of facial hair varies, You really aren't expecting a number here, are you?

We are easy going, professionals with a good sense of humor. We are laid back, expect no pressure and put no pressure on anyone.Q. How can I/we communicate with you?

Use the handy form here to drop us an email. We look forward to hearing from you.
